PREFACE.

THIS edition of the MELROSE DIRECTORY, for 1890-91 constitutes No. 13 in the regular series. Since 1868, with the exceptions of 1882 and 1884, the Melrose has been included in the same volume with Malden, Medford and Everett. Owing to increase of population in the several communities the book has quadrupled in size, becoming somewhat unwieldy and numerous requests have been made that the book be divided. At increased outlay, therefore, we have decided to try the experiment the present year and give to Melrose a Directory of its own. We trust that a more libaral support will justify our endeavors to serve our patrons. It will be our aim and purpose in thefuture as in the past, to publish a book that may be its own recommendation. Our appreciative thanks are extended to all who have assisted in the prosecution of this issue.

Respectfully,

W. A. GREENOUGH & CO.

Editors, Printers and Publishers.
